

Getting a bite of the apple

**Advancing diversity in the
corporate supply chain**

Patricia Johnson
President
WorkMagic

Our Commitment to inclusion and diversity

We believe in a culture of equality in the workplace with employees, partners and vendors

Need for Diversity in Corporate Supply Chain.

Everyone needs to infuse inclusion, diversity and sustainability into their procurement practices.

Supplier Diversity More Relevant

Many companies with Supplier Diversity programs historically have treated them like "check the box," which are often deprioritized when things get tough.

Equal opportunity

The future workforce is an equal one and set bold goals to accelerate gender equality.

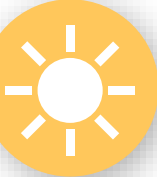

Run a business with diversity in mind

Employees
stay
productive

Boosts
Innovation

Helps safeguard
The future

Enables
Competition

Diverse Supplier Development Program In the corporate supply chain

Inclusive procurement practices create long-term value for clients and our communities and more apples to take a bite of. . .
